The image is a screenshot of a PDF document titled "Wiki Central Quick Tips" from the University of Central Oklahoma. The document features the UCO logo and a welcome message. It provides instructions on logging in to the Wiki Central site, detailing the login process for students, faculty, and guests. A screenshot of the login form is included, with red circles and numbers 1 and 2 highlighting the "Log In" button and the "Forgot your password?" link, respectively. The document also includes the UCO Technology Resource Center logo at the bottom.

Quick Tips

Welcome to Wiki Central the University of Central Oklahoma's wiki site. Wiki Central is the launching point for all UCO wikis. This unique workspace allows users to easily create, edit, and link collaborative web pages. At an individual, team, corporate, or community level, the wiki allows editing of information by all contributors, and keeps the information safe. With this tool you can track a team's progress, assign tasks and group projects, and offer a common place for centralized communication. Visit the wiki at <https://wiki.uco.edu/>

Logging in to the Wiki:

1. Enter your user name and password.
Students use your UCONNECT login name and password.
Faculty and staff use your desktop login name and password.
MAC users use your UCONNECT login name and password.
Guests will use their email address as a login name, and the password provided.
2. Once you have entered your information, click **Log In** to begin.
If you encounter difficulties logging in, contact the Helpdesk @ 974-2255 or email support@uco.edu.
